

THE HARTFORD SMITH COLLEGE CLUB

April 14, 1949

Dear Miss Underbecker;

Just now, after  
our regular Smith Club meeting, I

wrote to you about your request for  
the use of the chairs.

The Hartford Club voted  
that station WCSR be allowed  
the use of the chairs and  
recommended that you inquire as  
to the possibility of replacing the  
lost pipe. The members also  
suggested that the chairs be  
inscribed "Gift of the Hartford Smith

College Club".

Perhaps you are still trying  
to find prices on these two items,  
but so many members have asked  
me about the chairs that I felt  
obliged to write you.

Will you please send a  
note of confirmation of our gift  
which interested members may see  
at our Annual Luncheon on  
May 21<sup>st</sup>.

Sincerely,

Conelia W. Watson
